

## Outstanding Achievement Award

**Ben Hogan**

**Presentation De La Salle, Muine Bheag, Co. Carlow**

**Teacher - Marie Dowling**

### **Shamus Callanan The Rock-Breaker**

If I was Sheamie there is one name in me County Tipperary,  
I may play rock-breaker number 14 but I score for my team,  
I have good fast running steam, c'mon you know what I mean,  
I'm gonna wipe you all clean, I'm gonna bring home Liam.

I'm telling you I've been doing this for the Premier since I was 18.

Tipp winning All-Star team and Player of the Year 2019,  
For Callanan these things don't come often and they are like a dream,  
And they all come from that hurling that is played with a sliotar on a green,  
Drum and Inch is my club to beat one of the other teams. I'm gonna catch high balls  
and hit cream,

I'm telling you I've been doing this for the Premier since I was 18.

I'm one of the very best I'll give any Hurling Gamekeeper a run for his money or a  
test,  
Because I'm from Drum and Inch Tipp West,  
Let's put our rival the Cats in their pest,  
Like the Red Devils and all the rest.

I'm telling you I've been doing this for the Premier since I was 18.

I have been striking balls over the white posts, the fast frees are the ones never seen,  
That is what makes me bring home Liam,  
That's why I'm Shamus Callanan I know what I mean  
I am a strong man made full of protein

I'm telling you I've been doing this for the Premier since I was 18.

I'm Shamus Callanan I'm wearing blue and gold,  
I've been there part of the Tipp dream team,  
I'm Shamus Callanan working and training like a machine,  
I'm gonna bring home Liam, Liam, Liam...  
I'm the great Tipp hurling human being

I'm telling you I've been doing this for the Premier since I was 18.

## **The Man from Drum and Inch**

Seamie Callanan the man from Drum and Inch when on the field, he never gives an  
inch,  
And when he takes his puffer,  
He will always beat the Buffer,  
Come on Seamie, the man from Drum and Inch.

Seamie Callanan, he has an eye for the goal, Playing full-forward is his favourite role,  
When the team needs a goal Sheamie will always score  
And the crowd responds with a tremendous roar.  
Come on Seamie, the man from Drum and Inch.
