Croke Park Community Update

June 2020

ONLINE INFORMATION EVENING

We would like to invite you to join us for an online information evening to learn more about the plans for the hotel that is proposed for the Clonliffe College site in Drumcondra. The hotel planning application is a separate planning submission to the wider plan for the college grounds & will be lodged with Dublin City Council. Due to the current Covid-19 restrictions, this will be a virtual event. If you are unable to join us on the night, a recording of the event and a copy of the presentation will be available online afterwards.
